To book a practice ice session:

- Click on this link rentals@stvitalcurling.ca to send an email request
- indicate which day you wish to book practice ice for
- You'll get an email back telling you when your practice ice session is
- Acceptance will be based on receipt of the email (first come first serve)
- You cannot book multiple weeks in advance
- You can ask for more than one session per week
- You can only send a booking request on a Monday before 10 PM
- It needs to be mentioned that these sheets are available only while they are not being rented and renters receive first priority

This should treat everyone fairly and consistently, while limiting the exposure of St. Vital staff that are often put in tough positions to try and accommodate everyone
