3. Which is the only country in Africa that belongs to the World Curling Federation. Hint—They have sent athletes to play in World competitions.

My SVCC FALL 2020 Checklist

- Take special note of our advertisers and try to support them—their local businesses are the fabric of our community.
- Order food from Dustin’s kitchen—again he is a small local business providing a great service to our club and curlers
- Find some way to support our “Raise the Roof” fundraiser. This can be done online **or** through our soon to come online ZYIA party with our very own Jennifer Jones as your host. These clothes beat Lululemon hands down and are made from recycled materials—
...and are less expensive than Lululemon!
- Have a great time on the ice, in our restaurant, or in our lounge

Christmas Cash Raffle Tickets are being distributed to participating leagues. Please put your stubs in the drum in the lounge upstairs. The club will not remove staples nor can we accept the stubs in booklet form. They must be placed in the drum as individual slips.

Should you not be participating in the raffle book program as part of your league—no worries—you can still help us out in the fundraiser by purchasing a book for \$20 and then selling them on our behalf. Each booklet contains 20 x \$1 tickets.
